Revised: 5/2/19

Final Draft: 5/3/19

NOTES:

Each text box should have no more than **three lines (4 inches across)**.

Part XX-1
"A Sudden Revival"

Opening

FADE IN:

EXT. VALENTINE'S FESTIVAL - DAY - BG_Valentine.png

PLAY Bgm_map_fes_02.ogg

SAMSON

A beautiful festival, wouldn't you say,
my queen?

SHEENA

Yes, the people are joyful, the air is
rife with happiness, and...

SAMSON

My queen?

SHEENA

Please, it's just us, Samson. A lone
pair in an unfamiliar world. I can feel
your pulse, but can you feel mine?

SAMSON

... I am your humble servant first and
foremost, my lady.

SHEENA

And I am the queen of Gra. What does it
matter?

SAMSON

When you rebuilt Gra with King Marth
after the War of Heroes, you became the
strong leader it needed.

CONTINUED:

SAMSON (CONT'D)

None of that would have happened if we had gone to Pales as planned.

SHEENA

And yet it did. You wanted to settle down in Pales, but I persuaded you to stay and help me rule the kingdom.

SHEENA (CONT'D)

You even learned to speak as a nobleman.

SAMSON

All to better serve you, your highness.

SHEENA

... Do you regret staying, Samson?

SAMSON

No.

SHEENA

Then what is it? Do you not hear my heart move for you?

SAMSON

It's... It's difficult for me to describe, your highness.

SHEENA

Oh, Samson...

PLAY Bgm_event_serious1.ogg

SHEENA (CONT'D)

What?! The townsfolk are under attack. Come, we must help them escape.

SAMSON

As you wish. You there! Go to the forest in the north, quickly!

CUT TO:

EXT. PLAIN FOREST - DAY - BG_PlainForest.png

SAMSON

That should be most of them. It appears
Askr's forces have come just in time.

SHEENA

Yes, how fortunate. I could not bear to
see Askr's people suffer as Gra's did.
Let us go back for the rest of-

JIOL

Sheena. Sheena! Is that you?!

PLAY Bgm_event_serious1.ogg

SHEENA

Father?!

SAMSON

What? But wasn't he slain by King
Marth?

JIOL

Sheena, thank the gods! I must speak
with you, it's been too long-

SHEENA

Halt! If you really are my father... You
betrayed Gra's people to dark forces in
their time of need.

SHEENA (CONT'D)

As the Queen of Gra, I cannot allow you
to live without a trial.

JIOL

Sheena, please-

SAMSON

Come any further and I slice you. My
queen, please rescue the rest of the
common folk.

CONTINUED:

SAMSON (CONT'D)

I shall fend off your predecessor.

JIOL

No, wait, I-

SAMSON

Begone!

FADE OUT.

Beginning of Battle

FADE IN:

EXT. PLAIN FOREST - DAY - BG_Overlay.png

PLAY Bgm_event_plain3.ogg

SAMSON

Why are you here?

JIOL

I want to make amends with my daughter,
you must believe me!

SAMSON

Your past actions tell me everything.
Go! Run away with the rest of the
villagers.

SAMSON (CONT'D)

I don't have time to waste with you.

JIOL

Blast, now they're both gone. Until I
can speak with Sheena again, I must
protect the innocents here.

CUT TO: GAMEPLAY

Stage Clear

JIOL

The commoners have all escaped. Is this what it means to be a righteous king?

JIOL (CONT'D)

Sheena... I'm coming.

FADE OUT.

Part XX-2
"Samson's Dilemma"

Beginning of Battle

FADE IN:

EXT. PLAIN BRIDGE - DAY - BG_Overlay.png

PLAY Bgm_event_plain2.ogg

SHEENA

Samson, does your heart still beat for me? Or has it withered away?

SAMSON

This is hardly the time nor place, my queen. The enemy has arrived.

SAMSON (CONT'D)

Please continue escorting the common folk while I hold off these new foes.

SHEENA

Alright... Just please, be careful.

SAMSON

But of course. They shall now feel the wrath of Samson the gladiator!

Stage Clear

SAMSON

Nrgh, this won't do. I must regroup
with Sheena. Hopefully Jiol isn't
lurking around here...

FADE OUT.

Part XX-3

"Redemption and Renewal"

Beginning of Battle

FADE IN:

EXT. - BRAVE SEA - DAY - BG_Overlay.png

PLAY Bgm_battle_FE13_01.ogg

SHEENA

We shall fight off the enemy with you...
But you will answer for your crimes
once this is finished.

JIOL

As long as we can speak, I shall do as
you wish.

SAMSON

I don't trust you, but we have no
choice. There, they've arrived!

Stage Clear

SHEENA

Where did these reinforcements come
from? No matter, we must-

JIOL

Watch out! Sheena!

PLAY Battle_3.ckb

CONTINUED:

JIOL (CONT'D)

Augh!

SHEENA

Father!

CUT TO:

EXT. PLAIN FOREST - DAY - BG_PlainForest.png

PLAY Bgm_event_serious3.ogg

JIOL

Sh-Sheena... I'm sorry we must speak like this. I only wanted to... Wanted to ask for your forgiveness.

SHEENA

Father, please, you're bleeding...

JIOL

No, this is nothing. I was a terrible father, and a worse king, unfit to rule. I thought-

JIOL (CONT'D)

I thought by helping the villagers, I could redeem myself for my past life. Ah, if I could have only done more...

SHEENA

You've done more than enough. You were the protector the people needed.

SHEENA (CONT'D)

As your daughter, I could not be more proud to call you my father.

JIOL

That means everything to me. And you, young man... You are her lover, are you not?

CONTINUED:

JIOL (CONT'D)

She may not need your protection, but she needs you, understood?

SAMSON

Yes, sir. I apologize for not having faith in you earlier. May you depart in peace.

JIOL

Then that's that. I can die content now. I love you always, Sheena.

JIOL (CONT'D)

You are my daughter and nothing will ever change that. Please, continue to protect our home and our people...

SHEENA

I will. Farewell, father. I love you.

CUT TO:

EXT. PLAIN RIVER - DAY - BG_PlainRiver.png

PLAY Bgm_menu_friend2.ogg

SHEENA

It appears some of our enemies were actually Askran forces. At least we've figured things out.

SAMSON

My queen. May we speak?

SHEENA

Of course. Is it...?

SAMSON

Yes. My heart is yours, you know that.

CONTINUED:

SHEENA

I do. But...?

SAMSON

But what we want could jeopardize the kingdom's safety.

SAMSON (CONT'D)

You must be an independent leader who will bow to no enemy.

SAMSON (CONT'D)

To have a commoner like me as your husband could invite only tragedy.

SHEENA

Oh, is this your proposal to me?

SAMSON

N-no, I just-

SHEENA (CONT'D)

Samson, you are both my closest confidante and the one my heart thrives for. Is that so hard to see?

SHEENA (CONT'D)

A queen is only strong if she dedicates her heart to the ones she has sworn to protect.

SAMSON

But what would the people say if the queen is in love with a commoner? You must marry a king, or at least a noble-

SHEENA (CONT'D)

You fool, I want you by my side until I die of old age.

CONTINUED: (2)

SHEENA (CONT'D)

If I am such a fierce ruler, then surely no one would dare challenge my decisions?

SAMSON

Then what of-

SHEENA

I see more drastic measures must be taken. Fine. Samson, will you marry me and help protect Gra at my side?

SAMSON

My queen- I- Yes, I will. I swear to be your dependable advisor and husband until we die of old age.

SHEENA

... I can feel your heart, Samson.

SAMSON

As I feel yours, Sheena.

SHEENA

Now. Shall we enjoy the festival?

SAMSON

Yes. Let's enjoy it, together.

FADE OUT.

THE END
